P R O F E S S I O N A L S U M M A R Y

AI Automation Engineer with **8+ years of domain experience** in education operations and **3 years in content creation**. I build AI-powered systems using **Claude Code, n8n, and MCP servers**. Built **Institura**, a production SaaS with 30+ modules for coaching institutes. Designed automation workflows that **saved clients Rs 8-10L/year** in operational costs and **reduced proposal delivery from days to 30 seconds**. Built a personal AI Operating System connecting Notion and Claude for autonomous content production across YouTube and LinkedIn.
